Ideas for Participation:

Fingerplays and action rhymes help your child learn new words through rhythm and repetition. In addition, fingerplays will improve your child's motor skills and coordination. Practice the fingerplays and action rhymes between stories to keep your child's attention and to enhance the storytime experience.

Turtle

One baby turtle, alone and new.
Finds a friend, and then there are two.
Two baby turtles crawl down to the sea.
They find another and then there are three.
Three baby turtles crawl along the shore.
They find another, and then there are four!

Fish story

One, two, three, four, five
(hold up fingers while counting)
Once I caught a fish alive.

Six, seven, eight, nine, ten
(hold up additional fingers)
Then I let it go again.

Why did I let it go?

Because it bit my finger so.

Which finger did it bite?

The little finger on the right.
(hold up pinky on the right hand)
