Ideas for Participation:

Fingerplays and action rhymes help your child learn new words through rhythm and repetition. In addition, fingerplays will improve your child's motor skills and coordination. Practice the fingerplays and action rhymes between stories to keep your child's attention and to enhance the storytime experience.

I AM A LITTLE DUCK

I am a little duck and I go "Quack, Quack!"
And I wiggle my tail in the back, back, back
I swim in the water and go quack, quack, quack
And I wiggle my tail in the back, back, back

*Hands in armpits, flap wings
Wiggle backside
Paddle with hands
Wiggle again*

FIVE LITTLE DUCKS

Five little ducks went out one day,
Over the hills and far away.
Mama duck said, "Quack, quack, quack, quack."
But only four little ducks came back.

*Hold five fingers up
Make hand go up and down
Make beak with hand
Hold 4 fingers up*

Continue until there are no little ducks left.

Sad mama duck went out one day.
Over the hills and far away.
Mama duck said "Quack, quack, quack, quack."
And all of the five little ducks came back.

*Make beak with hand
Make beak go up and down
Make beak quack with hand
Bring 5 fingers back*
