## Ideas for Participation:

Fingerplays and action rhymes help your child learn new words through rhythm and repetition. In addition, fingerplays will improve your child's motor skills and coordination. Practice the fingerplays and action rhymes between stories to keep your child's attention and to enhance the storytime experience.

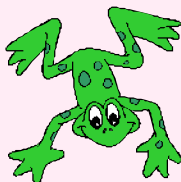

### Five Little Speckled Frogs

Five little speckled frogs,  
Sat on a speckled log,  
Eating the most delicious bugs.  
Yum, yum.  
One jumped into the pool,  
Where it was nice and cool,  
Then there were four more speckled frogs.  
Glub, glub.

Five....four....three...two...one...  
(Squat on the floor like frogs. One by one take turns to be the frog that jumps in the pool. Stuffed animals make great frogs if there aren't enough children.)

### Three Little Frogs

Three little frogs  
Sitting on a log  
On a sunny day.  
Three little frogs  
Jumped off the log  
And then they hopped away.

### Ten Little Froggies

One little froggie goes hop  
Along comes another and they just can't  
stop so....  
Two little froggies go hop, hop  
Along comes another and they just can't  
stop. So.....

(Continue on in this manner and end as follows)

Ten little froggies go hop, hop, hop,  
hop, hop, DROP! Time to stop.

(Hop each time you count the  
froggies....and when you get to ten hop  
ten times and count on fingers.....fall  
gently down to floor.)
