FAQ

Can I renew eBooks?

The option to renew a title becomes available three days before the title is set to expire, appearing next to the title on your **Bookshelf** under your library account. You can only use the renew feature once for each checkout. If there are holds on the book, you cannot renew but you can place yourself on the **Hold** list.

How do I return Kindle eBooks early?

You don't have to return eBooks - they automatically expire. However, if you wish to return eBooks early, it is done through your Amazon account. Log into your **Amazon** account. Go to **Manage Your Kindle**. Next to the title you want to return, click **Actions** and see a menu of choices. Select **Return This Book**.

When does my eBook expire?

Log into your **OverDrive** account to see the due date on your **Bookshelf**. Or, log into your Amazon **Manage Your Kindle** page and click on the + symbol next to the title.
